

Emergency Management Workshop for Agriculture
Introduction to the Incident Command System

9:00 a.m. to 12:00 noon Eastern time – two three-hour sessions
Via Zoom

REGISTRATION FORM

IMPORTANT NOTES :

- There is no cost to attend the workshop, but you **must** pre-register.
- Certificates of completion will be provided to all participants who attend both parts of the workshop.
- If you wish to receive formal ICS certification, we will direct you to the certifying body in your province. Some provinces offer free online, generic courses. Formal certification would be of interest to anyone wishing to take higher level ICS courses.

The workshop is being offered as two three-hour sessions. Part A provides an overview and general concepts. Part B goes into roles and functions of incident command. A minimum of eight participants are required per date and a maximum of 20.

Please check which workshop date you wish to attend. You must select a Part A and a Part B date. Part A must be completed before Part B.
