

Virtual Workshop

Learn about your potential flood risk and develop a Farm Flood Preparedness Action Plan

Farm Flood Preparedness

Tuesday February 8th &
Thursday February 10th, 2022
9:30 a.m-11:00 a.m.

Please join us at this workshop to:

- ◆ Increase your understanding of potential flood scenarios for your operation
- ◆ Identify the areas and infrastructure on your farm that are most vulnerable to floods, and
- ◆ Begin to populate your flood preparedness plan.
